Samoter 2017

30th International Triennial Earth-moving and Building Machinery Exhibition
Date: 2/22/2017 - 2/25/2017
Venue: Verona Exhibition Centre, Verona, Italy

Please note: All dates are subject to changes. Contact organizers for more information before making arrangements.

Concurrent Expo: Asphaltica 2017 - International Asphalt Industry Exhibition

Samoter is the main Italian event dedicated to earth moving, site and construction machinery and brings together the most important world producers and operators in the construction market.

Samoter brings together the most important world producers and operators in the construction market, creates business opportunities by promoting meetings between supply and demand and encourages decisions and collaborations with institutions, category associations and companies; it implements the development of the entire industry by promoting specific production and technological aspects in every single segment of the field, thereby ensuring visibility for small, medium and large companies alike.
